

NOTIFICATION OF INTENT

Dear Parent:

Congratulations on the acceptance of your son to the Leadership Magnet at Young Men's Preparatory Academy.

Please understand that Miami-Dade County Public Schools guidelines require you to notify us in writing of your decision to accept or decline our invitation to be enrolled at Young Men's Preparatory Academy for the coming school year. As such, your parent must sign below indicating the intent to "accept" or "decline". Also include a daytime telephone number and email in the event the Registrar needs to confirm your selection.

By signing this document, I acknowledge that additional information may be required to fully process my child's enrollment in the magnet program and acceptable levels of academic performance and conduct will be required for my child to remain enrolled in the magnet program subsequent to this acceptance. **Additionally, students admitted to our magnet program may play a sport for their home school if they make it onto their home school's team.**

I further acknowledge that knowingly providing false information on this and/or any of my child's magnet application/admission documents may revoke the offer of acceptance and subsequent enrollment at any time.

I further acknowledge that this placement takes the place of my parental choice option under the *No Child Left Behind Act* and/or *Opportunity Scholarship Program* for the next school year. In addition, by accepting this offer of admission, I acknowledge that my child will not be eligible to receive *Supplemental Educational Services (SES)* under the *No Child Left Behind Act* for the next school year.

Thank you for your timely attention to this matter, and again, congratulations on demonstrating such a high level of talent and welcome to the YMPA family.

This signed "Notification of Intent" to accept or decline must be emailed or faxed no later than April 7, 2019.

Respectfully,

Pierre R. Edouard
